Gas Utility Operator

Ste. Anne Natural Gas Co-op – Onoway, AB

Ste. Anne Natural Gas is a member-owned natural gas cooperative serving more than 6,600 members in rural west-central Alberta. Located about 75 km northwest of Edmonton, we take pride in providing safe, reliable service while fostering a supportive and team-oriented workplace.

We are seeking a dedicated **Gas Utility Operator** to join our team. This is a great opportunity to build your career in natural gas utilities while working close to home in a stable, community-focused organization.

What We Offer

- Competitive wages with performance incentives
- Comprehensive health and dental benefits
- Company-matched pension plan
- Paid time off
- Education, training, and professional development opportunities
- A COR-certified safety program
- A friendly and supportive work environment

Work Environment

- Permanent full-time role
- Monday–Friday, 8:00 am–4:00 pm
- Weekly on-call rotation (no after-the-meter work required)

Education & Requirements

- High school diploma or equivalent (required)
- Preference for ticketed Gas Utility Operator or Gasfitter
- CSA-approved steel-toe boots (required)
- Valid Class 5 driver's licence (airbrake endorsement is an asset)
- Driver's abstract required upon request

Qualifications

- Experience in gas utility operations
- Knowledge of natural gas distribution systems
- Familiarity with CSA Z662 and CSA B149 standards
- Backhoe operation experience (asset)
- Physically fit and able to handle heavy lifting
- Strong customer service and communication skills
- Ability to work independently and as part of a team

If you are motivated, safety-focused, and eager to grow with a trusted rural utility, we'd like to hear from you.

How to Apply

Please send your resume and cover letter to smartin@steannegas.com.

Join Ste. Anne Natural Gas and be part of a team that keeps Alberta's communities fueled and connected.
